Our integrative approach is embedded within a Humanistic framework and informed by the transpersonal approach of Psychosynthesis and the developmental insights of a Psychodynamic orientation.

### OUTLINE OF THE COURSE

- Module 1: Overview of Models of Supervision in the helping Professions. Contracting & Session content. The supervisory relationship.**  
This module provides an overall map of content which will be visited in greater depth in the later modules.
- Module 2: In-depth reflection and practice of the 7-eyed model – Hawkins and Shohet. Seven tasks of supervision – M. Carroll.**  
This module provides an in-depth view at each of the 7 eyes theoretically and in practice.
- Module 3: Ethical practice in supervision, diversity and culture. Dynamics of power in the supervisory relationship.**  
Awareness of various ethical codes in particular IAP.  
Developing ethical sensitivity and formats to guide ethical decision making.
- Module 4: Supervision in an organisational context.**  
This module will consider how the broader organisational context impacts supervision.

**Module 5: Group supervision. Teaching group facilitation. Co-creating and reflective practice.**

This module provides learning about group facilitation and integrating this into group supervision.

**Module 6: Assessment and evaluation. Overview and revising of learning.**

This module will explore the assessment and evaluation aspect of supervision.

**Module 7: Practicum – Live video recorded session with peers.**

Live video recorded supervision in the group.

### LEARNING OUTCOMES

Upon completion of this Diploma programme and following a period of personal study, participants will develop the ability to:

- Engage in an effective supervisory relationship
- Establish clear contracting in supervision
- Use different models of supervision in reflecting on their supervisory skills
- Apply reflexivity in supervision
- Reflect on ethical decision-making in supervision
- Identify ruptures in the supervisory process and deal with these effectively.

THOUGH WE LIVE IN A WORLD THAT DREAMS OF ENDING  
THAT ALWAYS SEEMS ABOUT TO GIVE IN  
SOMETHING THAT WILL NOT ACKNOWLEDGE CONCLUSION  
INSISTS THAT WE FOREVER BEGIN
